Backyard Bible Camp

Jesus Is My Rock(star)! was the theme of this year's Backyard Bible Camp (BBC) for incoming 5th through 8th Graders held in Faith's own backyard, the Gathering House. Close to 20 students participated in this year's camp. Participants enjoyed games, fellowship and crafts and music video Bible studies. Some highlights of this year's camp included making our own piñatas, playing water games, and going on a service scavenger hunt. On this scavenger hunt, students scoured the neighborhood for non-perishable food items and toiletry items that were later donated to the Iowa Homeless Youth Shelter.

Junior High Youth Group

Junior Highers meet every Monday night at the Gathering House from 7:00 p.m. to 8:30 p.m. to reconvene with their confirmation pals and make new friends while enjoying the fun of weekly fellowship.

Junior High Fellowship

In June, the Junior Highers joined their Senior High counterparts on a rollercoaster-filled trip to Worlds of Fun in Kansas City. In July, 6th through 8th Graders will head to West Grand Golf for a round of putt-putt.
