Seeds of Faith Early Learning Center

From Your Director

Dear Families,

I can't believe it is already November. The holidays will be here before we know it. How quickly time flies by. It teaches us to slow down and treasure the precious time we have with our young children.

Thank you to all of you who volunteered time at and supplies for the Halloween parties. The children all had a wonderful time. We couldn't pull off these activities without the time and energy you volunteer to our classes!

We had so much fun at our October CCC Meeting. We made plans for upcoming service projects plus a Parent Night Recipe Swap this winter. This month's meeting is November 19. Treats will be provided☺ Please join us if you can!

The SOF teaching team is also looking forward to sharing our favorite books at Read and Treat. We are also planning to make a yummy fruit salad that day.

Thanks for sharing your children with us!

In Him,

Heidi LaBounty

Thank you!!!

The Seeds of Faith Teaching Team is so blessed to have supportive parents who help in so many ways. We truly appreciate your time, talents and generosity. So many of you volunteer to help in the classroom or supply us with much needed materials from the helping hand board. Your continued generosity makes such a difference in the Seeds of Faith classrooms!

Digital Camera Needed

Are you upgrading your digital camera? Please consider donating your old digital camera to the preschool. We take lots of pictures throughout the year and it would be great to have more than one camera! Please check with Heidi if you can help out! Thanks😊
